rend from the centern part of lower liate to the Missouri River, at some point

dated the 12th, mayer

"Neat Dow made an official statement to the city council touching the recent riot. in which he asserts that but for the measures taken the city agency, would have been set on fire, and the City Hall dearroyed. The Board of Alderman inderse the mayor's statement. It is a most excellent medicine, both the Syrup and the inhaling operation to the chest.

The Hydran is for sale at Pomeroy by D. Reed to have noticed a wast deal of falsehood in the papers devoted to the liquor interests. In this paper.

Jan. 16, 1865-6m.

in relation to this offsie. It is treated as a result of she Maine law. Every man of sense, who has read the papers, is aware of the fact that the Maine law is no more chargeable with this riot and loss of life than any other law on the statute book. A mob, led on by an Irish rowdy, and composed of the lowest class of whisky disciples, deternized to set the laws at defiance, and destroy some \$1600 worth of propafter a few doses you do not find your health reviving, your atep elastic and rigorous, 'he whole system refreshed and invigorated like a Spring morning, then your case is hopeless; and all the valuable certificates we possess, go for noughtiles and prevent the destruction not only of that property, but the city building in which it was deposited. They failed in keeping them at bay, and the military was called out.

Also, reading the rist and research of property been at bay, and the military was called out.

Also, reading the rist and research of property been as recently been and deposited. erty belonging to the city of Portland —
From 8 o'clock till after 11 in the evening, the city authorities snempted to enforce orders and prevent the destruction not only of

Sanday night. The dam broke away under the mill, completely sweeping the building off, but leaving the larger portion of the dam standing. The building was of wood and not very valuable, but the machinery is a severe loss, amounting to at least five thousand deliars. Upon the east branch, the dam which foreds Mr. Fly's saw mill was the dam which feeds Mr. Ely's saw mill was carried away. In the township of Carlisle three bridges across the Black River are known to be gone. Fences, logs, wood and timber fill the streams, and much property is being carried into the Lake. The crops of corn and other grains on the bottom land cine. O.

The Cuyahoga, at Cleveland, had over ald rushes through the city with a force it has not felt for ten years, and the flats adjoining the stream are thoroughly flooded.

The Sandusky Register says the water in than was ever before known. The railroad of Salem, O. bridge over the Sandusky, Mansfield and Newark road near Monroeville, has had one best carried away; and that of the Ohio and of Meigs county for the year ending June 1, Penn. Rond, near Haysyille, has been car- 1855. ried aw, y by the flood.

OHOLERA AT NEW ORLEANS .- There were 385 deaths in New Orleans for the week ending the 27th ult; and of this number 204 were from cholera. The returns do not inc'ude one district, (Houligny.) where the disease. It is stated, prevails to a serious extent. The city has not been visited by rain for the last previous ten weeks, and on the 28th ult , the thermometer stood at 95 deg. in the shade.

ILLINOIS PROHIBITORY LAW .-- The Chica go Tribune expresses the conviction that the vote of the majority has gone against the prohibitory liquor law. We are not sur prised had it been otherwise. The counties of middle lilinois, and "Egypt" where the sustain Richardson and Douglas, have voted down the balance of the State. The Tribune laments that "the solemn protes of fifteen thousand majority of the people of northern Illinois against the continuance o the drunkerd and pauper-making business is overwhelmed by a larger majority in cen tral Illinois, demanding that it should not be

New Ordeans, June 8 .- By an arriva from Corpus Christi we have intelligence o in outbreak at Laupassas, in Norther Mexico, in consequence of an arrival of are emissary from Santa Anna, with orders to arrest and shoot some leading citizens of

The whole country is under arms, and a The Governor of Neuva Leon had fle o Matamores.

Chepihana is reported as being on the eve of a revolution.

BUSINESS NOTICES.

Harrer's Forest Wiss and Piers.—Dr. Hel-sey has produced a Wise from certain plants growing wild in our forest and fields which readi-ly cure many of the worst forms of disease. This Wine together with the Forest Pill, (founded on the same discovery,) are new for the first time adthe same discovery,) are now for the first time advertised in this city, although patients who have been cuted by them have spread their fame far and near, and the great demand for them is now the motive for making them public, that all may know by labor on the foads under the direction of the where to procure them. It frequently occurs that petients return before finishing the first bottle, and report a radical change in their health. In mantly every case the success of these medi-

Two to three bottles with a box of the Pills ale warranted to cure the worst forms of Dyspep-sis and habitual contiveness. Two bottles with a box of the Pills have always been found to cure Eryspeas, Piles, and all humors of the skin. Ner-your Disorders and General Debility are relieved at once by this Wine alone, and two or thre

at once by this Wine alone, and two or three Bottles cure the worst cases.

The Porest Wine is a delightful remedy for the Ladies, not so much because its flavor is pleasant, but that its Medical properties are peculiarly adapted to the feasale constitution, in producing vigorous, blooming health.

Retail establishment and General Depot is now

pen at 64 Walker street, 2d door west from

Price: Forest Wine, \$1 large bottle; Forest Prin; 28 Cents per box, and for sale by D. Reed Druggist, Pomeroy.

GENTLEMEN.—I have recently had occasion to test your Cherry Syrup and Hygens Vapor in a case of chronic soal runour, that had refused to yield to other forms of treatment, and the result has satisfied me, that, whatever may be the the posite Nebraska.

Near Dow — a dispatch from Portland sake of the afflicted, that it might be brought rithin the reach of all.

Rev. Dr. CHEEVER WRITES:-NEW YORK, Nov. 16, 1854.

A SECRET FOR THE LADIES-HOW TO

A WONDERFUL DISCOVERY has recently been made by Dr. Curtis, of this city, in the treatment After reading the riet act, and raposted war-nings to the mob, their leader, while engaged in his tawless work, was shet. The mob

in his lawless work, was abot. The mob dispersed. The property of the city was said. Order was restored. This is all there is of the case.—O. S. Journal.

The Floor.—The recent rains have been severe in the northern portion of the State, causing floods in the Cuyahoga and Black rivers, and many small streams, doing considerable damage. We learn from the Cleveland Heraid of last evening that upon the west branch of the Black River at Elyris, the saw mill and sash and blind factory be longing to N. B. Gates, was carried away on Sunday night. The dam broke away under the mill, completely sweeping the build-

D., 1855, between the hours of 12 o'clock M; and 2 o'clock P. M., the following discribed real estate, to wit: The west half of the north-west quarter of section No. 35, in Township No. 7, of Range No. 14, containing eighty acres more or less. Sold as the property of James A. Williams, to satisfy a judgment in favor of Israel Griffith, against James A. Williams et al. Appraised at \$1280.

W. SHERWOOD, S. M. C.

Pomeroy, May 8th, 1855.

PROSPECTUS OF THE

adjoining counties, the undersigned have con-cluded to establish a weekly Democratic newspaper, of the strictest type; to be called the "MEIGS COUNTY DEMOCRAT"—which will dvocate the true sentiment of the National lican Presidents, and their able administrations; under which this highly favored Government has prospered, in all which makes it truly great, and its citizens essentially happy. It will advocate, its citizens essentially happy. It will advocate, as necessary to party prosperity, a complete organization of the Democratic party, by which a full expression of popular will may be elicited; giving to all an opportunity to participate in all questions of public policy, as expressed in primary assemblies; discarding as unworthy of public confidence, any scheme, by which a part are excluded from a free participation in whatever interests or effects the whole—directly or remote-

As to the federal policy, the "Mercs Count DEMOCRAT' will support the settled policy of the Democratic party. An adherence to strict con-

As to State policy, the "DENOCRAT" will advocate so internal policy upon Democratic principles, having in view the personal interest of the inhabitant, and the political equality of the Hick's corner; thence north forty rods, thence citizen—such as uniform laws, equal taxation, a west twenty rods, thence south to the bank of the reliable currency, a reduction of taxes, economy creek; thence down the meanders of the creek and accountability in office, justice to all, favor

and domestic, by which the reader will be ad-parlor or bedroom, of qualities and prices to suit vised of the almost constant changes which are purchasers, whether they belong to the "upper taking place. It will foster Agriculture and ten" or "lower million." As, for instance, vised of the almost constant changes which are taking place. It will foster Agriculture and Horticultural improvement, and a development of the Mineral and Manufacturing resources of this section of country, opening its columns to the contributions of intelligent farmers, miners and mechanics, as well as politicians and others.

It will occasionally contain a choice tale, and TABLES, of all kinds a TABLES, of all kinds a transfer of the contributions. selected and original poetry. The first number will be issued about the 1st of July, and will be

of double medium size. One copy one year, payable in advance, .....

If any name should be entered on the books without the cash, 50 per cent. per annum will be added upon settlement Payment will be a msidered in advance if paid on the receipt of the first paper.

Stoves! Stoves!!

M. J. PRALL, at his new stand, on Court V St., opposite the Court-house, is now re-ceiving a fresh supply of Stoves of the lates styles, and most approved patterns. Being a prac tical workman in stove-ware, and an experience slove-dealer, he considers it no flattery to say that he is capable of judging correctly of the utility and durability of the different paterns; and having himself selected the strck now on hand with great care, he has no hesitation in recom-

sers, as they lie close to the Ohio river. Persons wishing to buy will address the subscriber at Clarksburg. Va.

Terms of sale: One third of purchase money in hand, the remainder in one and two ream, with interest from date. JAMES M. JACKSON.

Pomerov, April 24, 1855, n16m3\*

With great care, he has no hesitation in recommending his stoves to all housekeepers who may desire one of these indispensable articles. present stock comprises the following.

Shop Stoves,

Office Stoves,

Parlor Stoves. Cooking Stoves of the latest paterns. Radiators, &c., &c. In addition to the above, he has on hand ipply of the recently invented COAL COOKING STOVES.

These stoves are peculiarly adapted to this secon of the country. It is every way adapted to baking and cooking of all kinds, has a powerful isfy a judgment in favor of Israel Griffith, against or coal, saving one-half the fuel used in ordinary or coal, saving one-half the fuel used in ordinary stoyes. These stoyes are now in use in many families in this section, who speak of them as in families in this section, who speak of them as in the highest degree satisfactory—saving more than the price of the stove in fuel in one season. A much greater, and more regular heat can be attained by the use of coal, and at the same time hey are much cleaner than wood stoves When once thoroughly introduced in this section, the subscriber feels confident they will supercede all other kinds of cooking stoves. Call and examine for yourself.
The subscriber also still continues to keep con-

stantly on hand a large and full assortment of Tinware of all Descriptions, Sheet Iron and Copper ware, which he is constantly manufacturing, and wil. seil chesp for

Thankful for past favors, the subscriber re spectfully solicits a continuance of the public patronage.
